This year, Girls' League sponsored the third annual Miss Merrie Christmas contest, while Boys' League sponsored the Mr. Yuletide contest. Each class nominated one boy and one girl to represent them. Votes were cast by bringing canned foods and toys for those less fortunate than we and depositing them in cans in the main hall. The winners were presented at one of the basketball games just before Christmas. The votes were put into Christmas baskets, and helped to make some child's Christmas a happy one.

Judy Quimby, Mary Jo Thoms, and Reba Jo Nelson cast their votes. But despite their preferences happy senior Shirl Schuff was crowned during half-time ceremonies by last year's winner, Kathy Basler.

FOOTBALL COURT

Although having one of the smallest varsity turn- outs in the school's history, the 1957 Mustang squad rated in a tie for 6th place in the coaches poll among Oregon prep elevens at the close of the season.

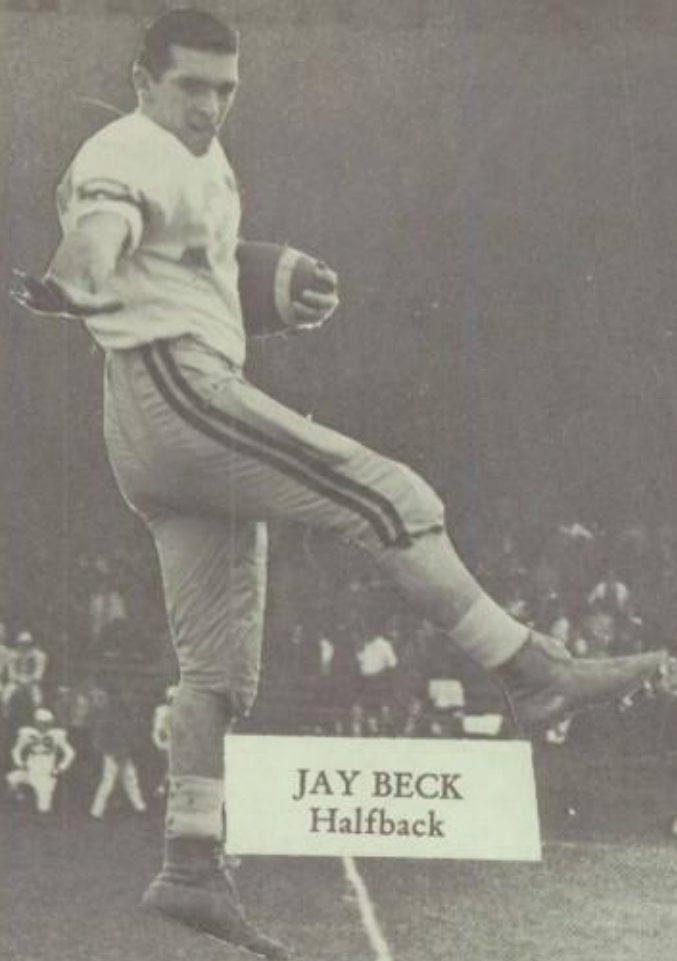

Injuries to key players cost us a spot in the state playoffs as we dropped the vital game to Beaverton who later advanced to the semifinals. Our most outstanding game was a 14 to 0 win over South Salem, a team which placed second in the State finals.

Although our J.V. record this year is not an impressive one, one win and eight loss, the football promise developed by a number of boys was terrific. The team was composed of fellows who had not played much football before but were eager to learn and equip themselves with "know how" in preparation for the varsity next year. A lot of credit is due this year's team for working hard and sticking together even when the going was rough. With another year of experience much can be expected of this fine group of guys.

The Milwaukie wrestling team completed the 1957-1958 wrestling season with a 7 won—6 lost—1 tie record. The team finished sixth in the State Tournament, being represented by Rodger Bloedel, Marcel Hurliman, Ted Brewster, and Jerry Fenton. Ted Brewster won the 148 lb. State and District Championships. Jerry Fenton placed second in State in the 168 lb. class and 1st in the District. Marcel Hurliman won the District Championship and tied for fifth in the State. Rodger Bloedel won the District Championship and tied for sixth in the State. With only six experienced wrestlers out of forty that completed the season, the team showed tremendous improvement. This was indicated by victories over such outstanding teams as Beaverton, South Salem, and Sandy. The tie with the strong Canby squad was probably the peak match of the season.

This year's Junior Varsity basketball team compiled a remarkable record. Besides winning the Metro League Championship, they accumulated 22 wins for the entire season. Doug Blatchford led the team in scoring and Fred Heidt led rebounding. The team elected Rod Lippert as their team captain. Next year's Varsity should field a strong squad with candidates like Blatchford, Smith, Heidt, Lippert, Westlund, Parry, Mattson and Kelly as the nucleus.

This year's freshman basketball team shows much promise for the future. It was composed of good natured, hard working fellows who handled the ball well. With a little growth to get that needed height they should contribute much to the J. V. and Varsity squads of years to come.

GEORGE CRANDALL
Coach

Although the Junior Varsity baseball team has not been very successful with a 2 win, 4 loss record, they had extremely good players. Darrell Salveson was their best player and Glynn Alvstad was the most improved player. Their infield is very good, but their outfield and batting need improving. The lack of experience is their main handicap at this time.

Row 1: Dick Tarr, Bill Slinkard, Dick Petterson, Bob Harrel, Doug Lockhart, Stan Robson. Row 2: Roger Hart, Art Poindexter, Ron Paola, Scott Thompson, Mr. Millen. Row 3: Tom Martin, Don Eichelberger, Joe Egge, Grant Cummings, Phil Derryberry.

CLIFF MILLEN

The Freshman Baseball team has had bad luck this year with a 3 win and 5 loss record. They are very good in defense playing but their offense playing needs improving.

This year's tennis team is doing exceptionally well so far with a 5 win and 2 loss record. Their doubles are very promising and they are very hopeful that they will take State in this division. The doubles which are doing this excellent work are Mike McCord—Larrie Docken, and Joe Harvey—Vern Hahn.

The above pin is an honorary award given to senior members of Athletta who have earned over 200 points, and have a better than average standing scholastically.

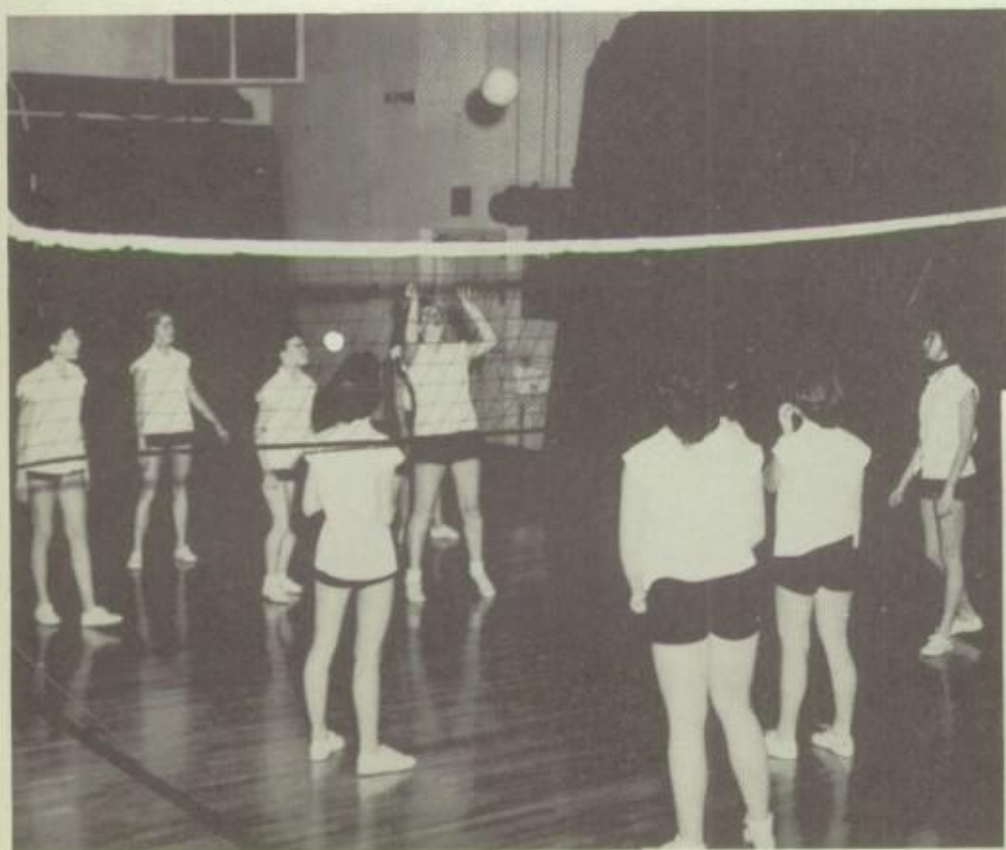

Among the activities of Athletta is the state G.A.A. conference, an annual event, which this year was held at Marshfield High School. Milwaukie sent five delegates, and because the conference was so far from home, the girls stayed overnight in the Marshfield High School gym with girls from all over the state of Oregon. The girls who went had a very good time, as well as gaining many ideas for Athletta activities.
